

## **Human Population 2018**

### **Rubric for 7-minute Science essays/talks.**

1. DIPA balance:  $D > I > P > A$
2. Word use, choice.
3. Sentence structure: grammar, style, concise vs run-on, awkward vs clear.
4. Paragraph structure: topic centered vs laundry list
5. Logical relevance: D leads to I leads to P leads to A leads to D
6. Presentation quality: boring--exciting--phrenetic. slow--medium--fast. soft--loud--too loud.
7. citations: any missing? OK style?
